1.1   Compatibility

The TR-FPJ is compatible with the Triga Series, TR-FFT Fire Fighter's Telephone. For additional information, refer to the following Installation Manuals.

Document	Document Part Number
TR-FFT Manual	LS10309-001TR-E

2   Installation

There are two ways to install the TR-FPJ.

•   Install the TR-FPJ Fire Fighter's Phone Jack to a single-gang electrical box (4" x 2-1/8" x 2-1/2") or (10.16cm x 5.54cm x 6.35cm).

•   When the Addressable Mini-Monitor module is installed with the TR-FPJ Fire Fighter's Phone Jack, use a deep single-gang electrical box (4" x 2-1/8" x 3-1/4") or (10.16cm x 5.54cm x 8.25cm).

See Figure 3.

3   Wiring and Setup

Connect and set up the TR-FPJ as shown in Figure 3 and Figure 4. All circuits are power-limited and supervised.

4   TR-FPJ Operation

To make a call to the main panel, insert the remote handset plug into the TR-FPJ phone jack.

When the call is complete, remove the remote handset from the jack.
